

### PRACTICAL

Worthy heir of the first Zodiac boats, it has retained all its qualities: safe, stable and strong. Easy to move on the ground, with a pair of launching wheels, it is also very comfortable to drive on PROected water bodies; its shallow draught allows it to access and "beach" around spots inaccessible to most of the other boats.

### ECONOMICAL

Equipped with a very moderate power engine, it reaches honorable performances with areduced fuel budget and maintenance.

### PLIABLE

It can be fully dismantled, and stowed in its 2 bags, a few square meters are enough for the overwintering;and it's always ready to follow you for new adventures. Available with wooden or alumim floor.
